Viewer 099 Session Report

Date: 30 Sep 88

Time: 1024 - 1121

Summary: Perceived two men in a boat which is floating on a bay or gulf. One man, who reminds me of a 'secret service agent', is watching for people who are on the way to meet the boat. The other man, who reminds me of a 'defector professor/scientist' is lying low in the boat.

Later, at night, a fast 'cigarette' type boat approaches. The boat is owned or leased by men similar to the first man, described above (AOL-FBI/DEA operation).
